

Regulations Frassasi Challenge 2026

The **Frassasi Challenge (FC)** is a non-competitive climbing marathon managed through the Vertical Life App, which can be downloaded for free **on IOS and Android** to your smartphone.

Upon registration at the info point, you will receive unlock codes to enter in the App, giving access to detailed and comprehensive descriptions and topos of the crags (approach, difficulty, etc.).

FC includes a prize for those who self-certify at least 250 meters of climbing on the included crags* in **Rotpunkt style**.

FC will open on **Thursday, August 27 at 9:00 AM**

and will end on **Saturday, August 29 at 8:00 PM**.

On Sunday, the top 3 men and top 3 women who have climbed the most meters overall will be awarded.

To access the competition areas, climbers must be equipped with the following:

1. *Climbing-certified helmet*
2. *Climbing-certified harness*
3. *At least 15 climbing-certified quickdraws*
4. *Certified belay device (GriGri etc.)*
5. *Single climbing rope, minimum length 70m, certified*
