03RD AUGUST 2017 268 0

Frasassi Climbing Festival, from the 7th - 10th September. Held in the somewhat magical setting of the Frassassi caves in Italy this internationally renowned festival brings guests from all over the world. While there, you can get involved in climbing the street boulders set in a Medieval village, as well as take part in a variety of climbing competitions. This is the ultimate festival for escaping to somewhere beautiful, and immersing yourself in all things climbing.
